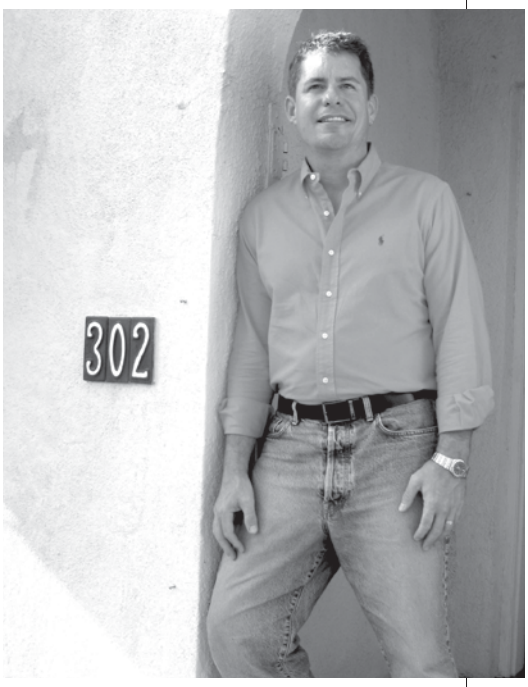
Board Elections & Outstanding Home Tour Numbers



BRAD BRAUER (MONTE VISTA)
Willo Neighborhood President

As the initial figures come in from the 23rd annual Willo Home Tour, one word comes to mind... Outstanding. As reported over the last few months, the HT committee has been working on this project for almost a full year and their perseverance has paid off. The Twilight Tour added over 300 attendees to our ticket sales and gave Willo residents an opportunity to attend without the long lines. This was an excellent idea from our committee chairs and well executed. The post twilight tour gathering was another amazing event with about 350 attendees. Our street fair had over 110 vendors and is now paying for itself. By the time this issue hits your door step; we'll have final figures and will announce them at our March 10th meeting. Thanks you to the committee chairs, Tom Vigil and Jill Bray of Coronado, to the committee members who make this all look so effortless and most of all, the home owners who offered up their homes for our use.

March this year also brings our Willo Neighborhood Association Board elections. You'll see many bios of the neighbors running for positions in this issue, and a ballot (see page 24). This is a reminder that you all must be current members of the Willo Neighborhood Association to vote. Go to our website at *www.willohistoricdistrict.com* and on the right side, scroll down to "join Willo". It only takes a minute and is instantaneous – but do so quickly so your vote counts! Per the association by-laws you must opt in annually to be a member. Be sure to follow the instructions on the ballot and send your ballot in or drop it off at our board meeting March 10th.

As we finish our home tour and a new board is seated this is an excellent opportunity for you to get involved in your neighborhood. It's easy to "let somebody else", but it's also quite rewarding to be a part of the process. Contact me to see how you can help, until next time; see you 'round the 'hood.

HAPPY 50TH ANNIVERSARY!

Happy 50th Anniversary to Spunky & George Ernst (Cambridge)! They were married in Jerome on March 11, 1961 and a few years later welcomed son, Trey. Spunky & George have lived a blessed and adventure filled life together, the past 40 years in Willo with their pup Zachary.

Willo Historic Neighborhood Association Board
The Willo Historic Neighborhood Association Board was established in the early 1980s. The members are volunteers and are elected every two years in March. The association does not collect dues and does not act like a Home Owner's Association (HOA). Rather, its function is to serve the collective well being of the neighborhood. Meetings are typically held the second Thursday of each month at 6:30 pm at the Fairfield Inn and Suites Hotel. All residents of Willo are invited to attend. Agendas are available online prior to the meeting at *www.willohistoricdistric.com*.

This free newsletter is published monthly (excluding July & August) by a committee headed by Willo volunteers. Willo neighbors are encouraged to submit neighborhood news, tidbits, photos and articles (between 250-350 words) by the 5th of each month. We reserve the right to: edit as needed, attribute to the submitting neighbor (with the street they live on where appropriate), determine which issue the information may be printed and use content on our website and in neighborhood promotional materials. The Willo Neighborhood Association is not responsible for nor endorses the editorial content in Inside Willo. A copy of Inside Willo is also posted to the Willo website each month.

HOME TOUR WRAP-UP

In a Word, Phenomenal!

THAT'S THE BEST WAY TO DESCRIBE THE 2011 WILLO HOME TOUR!

Lisa Bliss (Coronado)

Under the direction of co-chairs Jill Bray and Tom Vigil, the home tour committee worked to secure a perfect mix of homes, a record number of vendors (a whopping 113), and perfect weather for the event. Jill and Tom, please co-host next year!

The weekend started off with a fun evening of dancing and dining at Phil Flemming's home. Thanks to Bliss-Rebar, Fez, Switch and Party People who helped Dina Anagnopoulos and her pre-tour event committee treat the homeowners and their helpers to delicious food and drink, and entertainment in the form of Willo people dancing the night away to great tunes such as neighborhood favorite, "Dancing Queen".

Saturday marked the Inaugural Twilight Tour. More than 300 Willo residents gathered at Walton Park Saturday evening to take a private tour of the homes without having to fight the crowds. The response far exceeded expectations and the neighbors who participated in the Twilight Tour loved being able to visit with neighbors and tour the homes in a relaxed and quiet setting. The Twilight Tour was followed by a cocktail party at the home of Darryl Collins and David Miranda. Our thanks go out again to Bliss, Rebar, Fez and Party People for their assistance making this a wonderful event.

Finally, the big event! The weather was perfect, the homes immaculate, and a record breaking crowd of more than 3550 was in high spirits. As I walked the neighborhood all I saw was people, everywhere. The lines were long, but no one complained. All I could hear were praises for the homes, the vendors and the tour. I think I heard at least one person at each house say "This is definitely my favorite!" Everyone I talked to said they try to come to the Willo Home Tour every year and plan to be back next year. We had a record number of food vendors, selling everything from hot dogs, burgers and Z Pizza to kettle corn, tacos and crème brulee (yes, I said crème brulee and yes it was delicious). After a good meal or snack, you could spend hours walking streets full of vendors. There were local artists and crafts makers, jewelry makers, clothing and accessory vendors, and my personal favorite, the sock puppet vendor. Truly something for everyone. W

GOOD NEIGHBORHOOD

The Meaning of the Willo Home Tour... A Personal Reflection

Bob Cannon, Ph.D. (Cypress), Former Willo Neighborhood Association President

While I was walking home on a beautiful sunny February 13th with my sunburned face, and my legs sore form standing all day behind the ticket counter, I realized that our neighborhood continues to exemplify the spirit of humanity, willingness to treat each other with respect, and the ability to exsist in a peaceful spirit.

As with the past 23 Willo Home Tours, volunteers worked selling tickets, selecting and coordinating homes to be showcased, marketing and public relations, proofing the brochure and map, coordinate vendor details, securing parking garages, ascertaining the proper licenses and approval of street closures, attending meetings beginning in September, and of course, cleaning up all the trash, and making endless trips to the storage unit to secure the signage, ticket booth, and a host of other materials needed for the next home tour.

Of course, none of the above would be necessary without the generous Willo home owners who willing share their living rooms, kitchens, gardens, and dining rooms to thousands of strangers that are Willo guests for a few hours on the 2nd Sunday of February for the last 23 years. These home owners made multiple trips to in Home Depot, Pottery Barn, and Ace hardware preparing their home, coordinating cleaning last minute cleaning chores, and even planning which neighbor's bathroom they can use during Home Tour Day. However, every home owner knows at the end of the tour and as the last guest leaves, your face actually hurts from smiling all day, and all those remodeling projects were appreciated by everyone, and your home proudly represented the spirit of our community.

From the hundreds of volunteers over the last 23 years, the many home owners who agreed to open their homes, and to the many leaders of the Willo Home Tour, the tradition continues with pride, integrity, and the mind-set to constantly improve the process, the home tour is an event our neighborhood can be proud of.

We all know the volatility of the world today, and even our own state.....just watch the news. Perhaps the rest of the world could learn a lesson from our small historic neighborhood, and the spirit of humanity, and openness our community portrays every 2nd Sunday of February for the past 23 years.

Thanks to All the Willo Neighbors that have So Willingly Stepped Up to Run for the Neighborhood Board.

OFFICERS

BRAD BRAUER • PRESIDENT

Brad Brauer has served on the Willo Board since first moving into the neighborhood in 2004, as a board member, Vice President and President. What is most enjoyable is getting to know so many neighbors, assisting with their concerns and working directly with the city from the Mayor and councilman to the Phoenix Police to protect our neighborhood and improve our quality of life. From organizing committees to mowing street corners, Brad has learned a lot about our community and the people that live in Willo. It would be an honor to serve Willo as President for two more years.

JASON BLISS • VICE PRESIDENT

I moved to Willo in 2007. Although born in Southern California, I consider myself an Arizona native, and my mother's family is third-generation Arizonan from the Bisbee area. I work at the Cavanagh Law Firm and practice in the areas of insurance defense and insurance coverage litigation. In addition to my current role as vice-president of the Willo Neighborhood Association, I am active in several civic organizations including the Sandra Day O'Connor Inn of Court and the Phoenix Art Museum's Men's Arts Council. I live with my wife, Lisa, my stepson H, and my 5-month old son Asher.

LAUREN ZELL EISENSTEIN • SECRETARY

Lauren and her husband Josh Eistein moved to Willo XXX years ago with their pup, Gracie, and they jumped into our neighborhood head first! Lauren has been on the Willo Neighborhood board for the past year, and also served on the Home Tour Committee and was always volunteering to work at the home tour ticket booth, even before she was on the committee. Lauren is an attorney and currently works for the Arizona Deparment of Economic Security. Josh is also an attorney, and Gracie is an "at home" pup.

COLIN VOGEL • TREASURER

My wife and I have lived in Willo for two years and have loved every minute. We have enjoyed restoring our 1930's house just as much as developing close relationships with most everybody on our block. The houses are great but the people are better, and that is why I am running for Willo Board Treasurer. I received my degree in mathematics from Arizona State University and work for an insurance broker in Scottsdale. I enjoy working with finances and would be privileged with the opportunity to serve our neighborhood in that way.

GREG CORNS
We're thankful to be living among friendly neighbors, and the unique charm that defines the neighborhood. My interest in a board seat is to continue the good work that has proceeded me in ensuring the Willo remains significant among historic neighborhoods, and working to develop an ad hoc volunteer group "Willo Cares". Willo Cares would provide services to our neighbors that might not be in a position to offered them. (more to come)

PHIL FLEMING
Phil Flemming is a Willo resident for nearly ten years. An active member of our neighborhood, not only has Phil served on the Home Tour committee for nearly nine years, but he has generously opened up his home to be on tour twice and has hosted numerous home tour events. A lawyer for twenty years, Phil has lent his professional talents to provide counsel and serve as the statutory agent for the board and Willo neighborhood. When asked why Phil wants to run for the Willo board again, he enthusiastically says, "I love this neighborhood ... and I want to volunteer my time and talent to make it the best community possible."

DAVID JORGENSEN
David was born in Albuquerque and grew up in Phoenix. After receiving his B.A. in Filmmaking, he briefly lived in Hawaii and San Francisco before returning to Phoenix. He works as a senior software developer for Cable One, the cable TV division of the Washington Post. After years of admiring Willo, he moved into a house on Vernon Ave in 2009. He loves the neighborhood and is excited at the opportunity to be a board member. His hobbies include watching and making movies, and playing vintage keyboards. He lives in Willo with his dog Sophie and cats Chester and Alfred.

ANDREA MEURY
Mark and I moved to Willo in 2007, and I joined the Willo Board shortly thereafter. Professionally, I work for a private family Foundation and work with many of our community organizations including Phoenix Art Museum, Phoenix Theatre, and the Arizona Science Center. As a member of the Willo Board, I have chaired Luminarias, lead the reorganization of Inside Willo, worked on our Movie Nights in the Park and the Home Tour Committee. We participated in Home Tour 2011 by opening our home to our 4,000 neighborhood guests. Mark and I have a son and share our home with two dogs.

GENE NANCE
Gene is retired and has lived in Willo for 65 years (in the same house). He has served on the Willo Board for 19 years and would love to continue to serve. He has worked tirelessly for the neighborhood through managing the photography and application process for historic property tax breaks for homeowners, working on the Home Tour, Luminarias and recently stepped down from newsletter delivery which he did for 20 years.

BOB THOMAS
For ten years, my wife Cindy and I have invested in the Willo neighborhood and our neighbors, because we truly love it! That's why I would like to represent you on our next Willo Neighborhood Association board. I am already fully engaged and invested in Willo, by serving wherever I've seen a need. I am also an experienced small businessman with a long history of community service to those in need, a veteran, a longtime Council member of the Arizona Wildlife Conservation Board (10yrs),a Willo Home Tour volunteer (3yrs), the 300 W Coronado Block Watch captain (4yrs), a regular attendee at the monthly Willo Board meetings, and have worked to improve Willo Alley Sign Program for the past two years. I would appreciate your vote to serve you on the Willo Board.

DON VALLEJO
Don, has lived in the Willo neighborhood for the past 12 years. A native of Arizona, Don grew up in Yuma, attended the University of Arizona then joined the United Stated Air Force. After serving in the Air Force, Don and his partner, Dr. Bob Cannon moved to the Willo, now raising their two Golden Retrievers. Only living in the Willo for two years Don placed their home on the Home Tour, then once again five years later. Following in his partners footsteps, Don hopes to continue and improve projects that benefits the Willo and our neighbors.

PATRICIA WAPPEL
I am currently on the Willo Board and would like to have your vote so that I can continue to serve. I have lived in Willo for 28 years and have served in volunteer capacities for Willo for various needs. I currently am the Block Watch Captain for Windsor, am a member of the Home Tour Committee, and am the Chair for KleanStreets Volunteers. Once each month myself and other volunteers edge, mow and clean the common areas of our historic neighborhood. I also bake and bring cookies to the monthly Willo meetings so please keep me on the Willo Board.

JON WHITCOMB
Jon Whitcomb has lived in his Willo home since 1981 and been proud to serve as Block Watch Coordinator since 2008. Through that work, he has met many incredible neighbors, including Block Watch Captains and other residents, who are dedicated to making our neighborhood safe and secure. Willo's cooperative efforts to reduce crime have made our Block Watch Program one of the best in the City, according to our Community Action Officer, Julie Raines. Electing him to the Board will keep crime reduction and safety a high priority for the Neighborhood. Jon is a retired engineer and now a Realtor.

ANTHONY WIER
I grew up in the Willo in the home my parents purchased in 1958. I bought that same home on Coronado in 1996. I guess that makes me the unofficial historian of Coronado Rd. I am married and have a daughter in the 6th grade. I am a Vietnam veteran and served with the First Infantry as a combat medic and a second tour with the 3rd Field Disaster and Recovery Team. I am a Real Estate Broker and have been selling real estate since 1975. I have been active for the last four years with the Coronado Block Watch. I look forward to participating in the challenging decisions that will insure that the Willo will remain one of the more desirable

DINE AT HULA'S AND SAVE AN ANIMAL'S LIFE. So it seems only fitting that Mahalo Mondays at Hula's Modern Tiki would support Valley charities and thank them for their hard work. Friends of Animal Care & Control (FACCs) is the latest organization to benefit from the hip hangout's generosity. Each Monday in March, Friends of Animal Care & Control will receive 10% of the day's gross proceeds. Money raised through August's Mahalo Mondays program will help decrease the number of homeless animals in Maricopa County by funding free spay and neuter services through Maricopa County Animal Care & Control's Spay Neuter Assistance Program. Last year, more than 11,000 animals were spayed or neutered at no-cost.

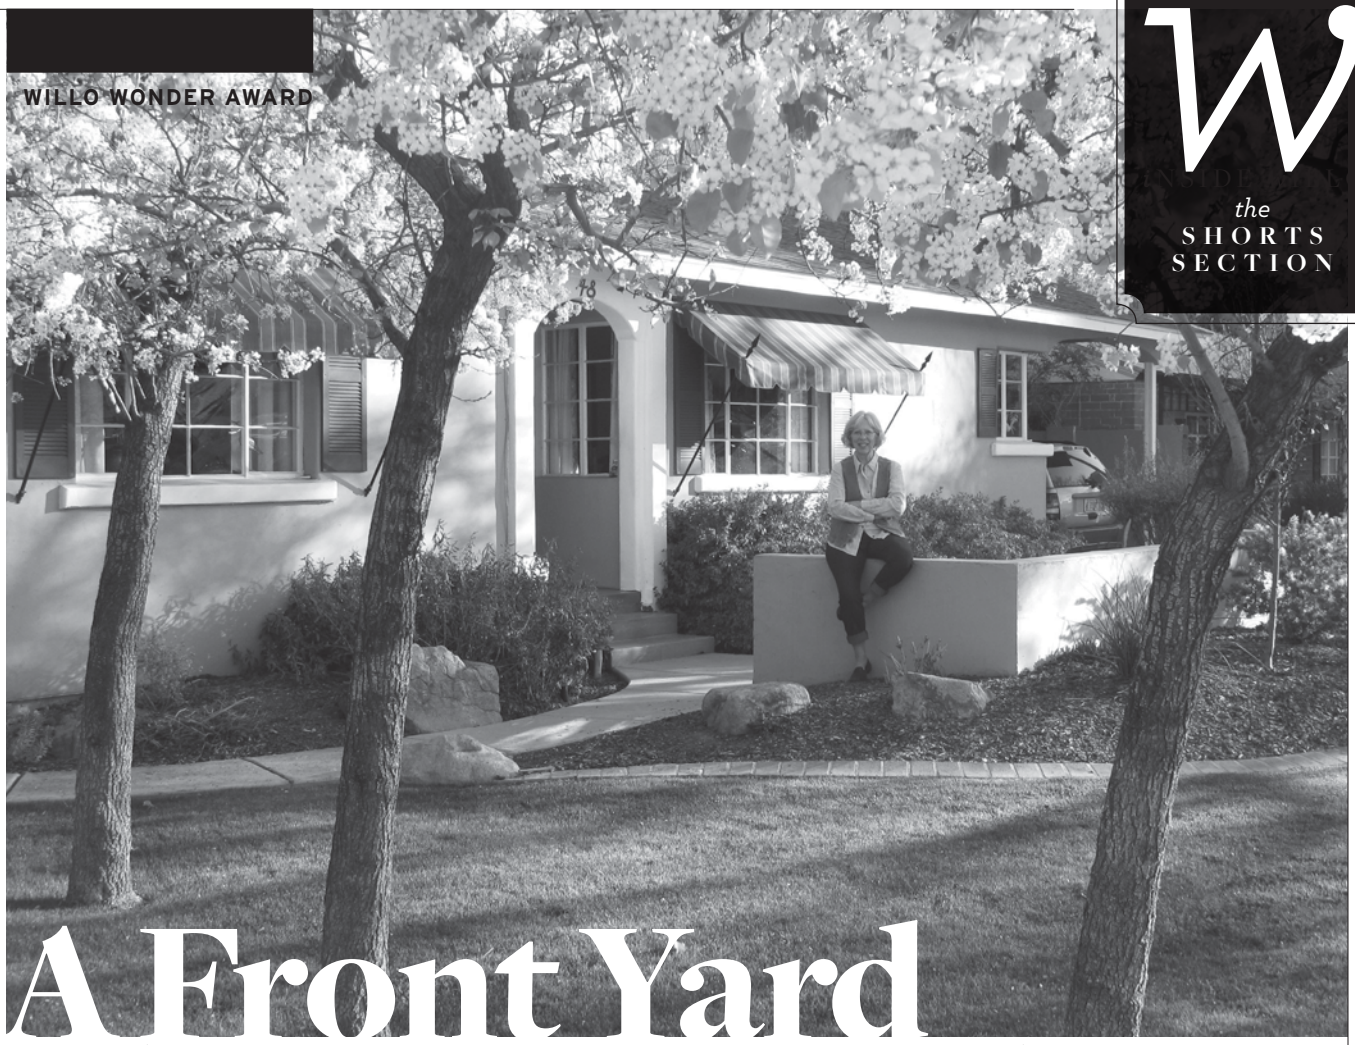
WILLO WONDER AWARD



A Front Yard Blooming with Charm

48 W. CAMBRIDGE

Chris Wertheim's beautiful yard at 48 W. Cambridge has been chosen for the March Willo Wonder Visual Award. One of Chris's favorite elements of her front yard is the topography that was there when she bought her home in 2007. It has a mounded berm and low wall that temper and compliment the height of this 1950 vintage home. She has added desert friendly plants and trees that use low water, including a pear and plum tree along with gracefull chinese elms. She has bordered the soft edge of the grass area with sage, colorful lantana, and various cacti. After taking a master gardening class at the University of Arizona Cooperative Extension she has many more ideas up her sleeve and can't wait to make them all a reality. Originally from Ohio and growing up in neighborhoods similar to Willo this is the 3rd historic home she has owned. Upon moving into the neighborhood she wasted no time and dove right in by becoming a Willo board member. Serving on the board for the last 4 years she says have not only been a rewarding experience but has reinforced her already strong sense of pride in this great neighborhood we all call home. Thank you Chris for your lovely yard and we would also like to thank Southwest Gardener for providing our visual award winners with a $25 dollar gift certificate to their wonderful store.
