Spring Clean and Donate at the Farmers Market!

We will be partnering with two charities of choice, *Andre House* and *Humble Design* to kick off a 'Spring Cleaning' donation drive. Attendees of the market are encouraged to bring donations of clothing and gently used furniture and household items. Come check out our mock bedroom display that demonstrates the amazing work *Humble Design* does to make a house a home for families transitioning out of homelessness.

The first 25 people to donate an item get a voucher for \$5 off any purchase with any vendor!
